

ALPKGL13 Aluminized Para-aramid / Kevlar Gauntlet

Product Code: ALPKGL13R

Hand Protection Against Radiant Heat and Molten Metal Splash

EN 407:2009 3.3.3.4.X.4

Category III

CE Mark

EN ISO 407 2009

Technical Description

EN407:2009

Burning	3
Contact heat	3
Convective heat	3
Radiant	4
Small molten metal splash	X
Large molten metal splash	4

Outer layer: Aluminised para-aramid

Palm: Kevlar aramid

Innerlayer: Carbon reinforced layer to resist heat transfer

Lining: Cotton lined

Stitching: Aramid

Contact heat 350°C

Length: 35 cm

Sizes: Uni-size

CE marked
