SPECIFICATION

Features & Benefits

Comfort:

The force the helmet adaptor applies and the cushion surface area work together to provide optimum cushion pressure and comfort.

Customisation

Sonis® cups can be coloured to meet a corporate identity. They can also be printed with a company logo for improved brand recognition and to discourage theft. MOQ's apply.

Adjustable Steel Arms

The wearer can tilt and adjust the position of the cup for optimum comfort and fit, also offering even distribution of pressure.

Hygienic

The sealing rings are easy to replace. Hygiene kits are available for each model.
