STORAGE AND MAINTENANCE

We recommend storing Chem FR garments in their original packaging, away from UV sources. After use, please follow the care instructions provided on the label. To remove any contamination, the ChemFR can be machine washed at 40 degrees and allow it to drip dry in a shaded area, away from UV sources. It is advisable to store Chem FR clothing in a cool, dry, and clean environment.

NOTE: For hygiene purposes, it is recommended that the garment be worn by the same individual.
