

PS73 - Height Endurance Mountaineer Helmet

Collection: Head Protection

Range: Head Protection

Materials: ABS, EPS (Expanded Polystyrene)

Outer Carton: 6

Product information

Height Endurance Mountaineer helmet is the ultimate evolution of our Height Endurance range. This vented, peak-less helmet is designed for multi-purposes. It is ideal for working at height, rescue operations and climbing activities. Thanks to its inner EPS foam, this style is fully certified to the EN 12492 standard. Its comfortable sweatband and wheel ratchet adjustment ensure optimal fit. Wide range of accessories available.

Head Protection

Portwest's head protection range aims to benefit our customers by combining the most up to date styles and standards in head protection, irrespective of job or location. Innovative, comfortable and lightweight helmets available for multiple uses.
