

With adjustable features and intuitive designs, our garments ensure a snug and secure fit, allowing workers to focus on their craft with confidence and ease.

**EXPERIENCE
THE EUROX
DIFFERENCE:**

BREATHE EASY WITH EUROX'S RESPIRATORY PROTECTION...

Eurox's Respiratory protection garments are meticulously crafted with the highest standards of craftsmanship and quality.

Eurox maintains a robust document control system to monitor and audit all aspects of manufacturing, testing, quality control, and technical requirements for respiratory protection.

RESPIRATORY PROTECTION

EUROX

EUROX

EUROX

OPTIMIZED FOR COMFORT AND FLEXIBILITY:

Eurox takes pride in offering a comprehensive range of respiratory protection garments designed to safeguard against a wide range of hazards.

From disposable masks to powered air respirators, our products are manufactured to the latest standards and undergo rigorous testing to ensure optimal performance and protection.

CERTIFIED TO EUROPEAN STANDARDS:

All Eurox respirators are tested in accordance with European standard EN 149, ensuring compliance with the highest safety standards.

Our commitment to quality and reliability means you can trust Eurox's respiratory protection garments to deliver consistent performance and protection when you need it most.

EUROX

COMPREHENSIVE PROTECTION FOR EVERY HAZARD:

Eurox's respiratory range caters to all five hazards, providing comprehensive protection in various work environments.

Whether you're facing dust, mists, fumes, gases, or vapours, our respirators are engineered to provide reliable protection, allowing you to breathe easy and work with confidence.

BACKED BY EXPERTISE AND INNOVATION:

Trust Eurox to deliver premium-quality respirators that offer unparalleled protection, comfort, and reliability.

Explore our range of respiratory protection garments today and breathe easy knowing you're protected by Eurox.

Eurox goes above and beyond to ensure the proper fit and effectiveness of our respiratory protection garments. **We offer face fit testing to many of our customers nationwide, providing tailored solutions for individuals or groups.**

With a steadfast commitment to excellence and safety, Eurox delivers unrivalled protection and performance in every stitch.
