

EUROX

EUROX'S PARTNERSHIP WITH SANDWELL MBC

Eurox's commitment to delivering exceptional service and support

Client Overview

For over eight years, Sandwell Metropolitan Borough Council (MBC) has been a valued customer of Eurox, benefiting from our extensive range of Workwear and Health and Safety equipment under various local government tendered contracts.

The Challenge

Sandwell MBC required a reliable supplier capable of consistently delivering high-quality products and providing expert technical support for specialist safety equipment. Timely delivery and adherence to contract terms were also crucial

Eurox's Solution

Eurox has successfully supplied a diverse range of products that meet the contract terms and quoted specifications. Our commitment to quality and reliability has been evident through:

- High-quality Workwear and Health and Safety equipment
- Valuable technical input on specialist Safety equipment
- Timely delivery within expected time ranges
- Dedicated delivery and specialist time scale delivery to meet specific client needs

Client Feedback

Sandwell MBC has consistently found Eurox to be a valuable partner. The positive relationship has been marked by:

- High-quality products meeting contractual expectations
- Valuable and helpful technical support for specialist safety equipment
- Timely and reliable delivery of goods
- A very good working relationship with dedicated delivery schedules

Implementation and Support

Throughout the eight-year partnership, Eurox has maintained a strong commitment to meeting Sandwell MBC's needs. Our ability to provide high-quality products and reliable delivery schedules has ensured a seamless supply chain and consistent client satisfaction.

Conclusion

Eurox's long-standing partnership with Sandwell MBC exemplifies our dedication to providing high-quality Workwear and Health and Safety equipment. Our technical expertise, reliable delivery, and strong client relationship have made us a valuable partner for Sandwell MBC. This case study highlights Eurox's commitment to excellence and client satisfaction in the supply of essential Safety equipment and Workwear.
